How do I access My Health eVet?

Log-on to: www.myhealth.va.gov

Get an Upgrade with IPA

To get the most out of the My Health eVet Personal Health Record, Veterans should get an upgraded account, known as In-Person Authentication (IPA).

Upgraded accounts, or IPA, allow Veterans to see the names of VA prescriptions online when refilling, not just the numbers, receive important Wellness Reminders, and use other features as they become available.
