

Bar Code Medication Administration

(BCMA)

BCMA Top 10 Reasons to Celebrate YEAR ANNIVERSARY

- 1 Paving the way to implement Bar Code Point of Care Systems throughout VA
- 2 Ensuring the delivery of safe, effective, and high quality patient care through technological innovation
- 3 Promoting a health care environment where safety is a value, not just a priority
- 4 Driving technology while improving patient safety
- 5 Sharing best practice models to promote positive patient outcomes
- 6 Supporting best practice technology resulting in high quality care
- 7 Enhancing patient safety for tomorrow, by using innovation today
- 8 Promoting excellence in health care at the bedside and beyond
- 9 Renewing a commitment to the BCMA product, while continuing to place the patient first
- 10 Commemorating the commitment that all VA employees have embraced to improve patient safety
